Please include information about the nominees' contributions to the peanut industry in one or more of the following areas. The individual must have served the peanut industry for 20 years or longer.

- **Programs & Projects:** The individual designed or implemented one or more high-impact programs or projects that have become an industry standard and is widely recognized for their achievement(s). Nominations must demonstrate the measurable impact of these efforts and how they have advanced the industry.
- **Products:** The individual has developed influential tools, models, frameworks, or other products used to advance the peanut industry. Nominations must demonstrate the measurable impact of these efforts and how they have advanced the industry.
- **Research:** The individual has made meaningful contributions to the body of knowledge on peanuts through research, data collection and/or other methods of exploration and study. Nominations must demonstrate the measurable impact of these efforts and how they have advanced the industry.
- **Service & Mentorship:** The individual has contributed substantial time and expertise to help further the peanut industry through service to, and involvement in, the industry (e.g., by leading peanut-focused organizations or networks, serving on relevant boards or committees, and/or mentoring others). The individual is highly regarded as an exceptional mentor and role model by their industry peers.
